

PANTHER CREEK

**2001 Anden Vineyard
Pinot Noir**

2001 was our first vintage with Anden Vineyard, formerly part of Seven Springs Vineyard. Our Anden Pinot noir is extraordinarily complex, exhibiting a brambly, berry nose with a hint of pine resin, and a palate of wild berries, earth and mint. The fruit was harvested October 9, 2001, and yielded only 1.76 tons/acre. Our production of 240 cases of Anden was aged 16 months in 35% new French oak, and bottled February 5, 2003.
